Covid – 19 Virus Infection Through group gatherings.	6	40	240	<p>Social Distancing of 2 meters as per Government Guidelines. Staggered shift change-over times. 2m distancing of tables & chairs in Canteen. Trial issue of personal distance alarms to people that work in close teams. Departmental Shifts are to be classed as a “Team Bubble” and employees should not swap between shifts where practicable. Staggered break times. Extended official smoking areas. Work from home where practicable. One-way pedestrian route though canteen, toilet and shower and office block. One person at a time at any clocking station. Follow the entry and exit routes into the office block and the direction of travel on the stairways Where Social Distancing in the workplace is impractical and there is no other way to complete the task, then employees are to work side by side or back to back not face on to each other. Change in working hours and practices to ensure office Social Distancing can be achieved.</p>	E C V	1	40	40	<p>Employees have been instructed not to come to work early. This is to prevent gatherings prior to the start of shift. Observe 2m distancing markings and signage across site. If Social Distancing cannot be practiced, then 1+ meter can be adopted and depending on the circumstance additional protective measures implement, such as only 2 persons at a time in any office, the repositioning of workstations or the wearing of face covering.</p>	1	40	40
